

Expense Reporting, Simplified

Forward-thinking companies across all industries are turning to ExpenseWire to automate their expense-reporting process. Our award-winning product makes it easier than ever to simplify and reduce costs in many aspects of expense-report management. We can help you reduce excessive spending and ensure policy compliance.

Employees can submit and approve expense reports online without the hassle of spreadsheets or paper printouts, which can help save time and increase productivity. The entire process, from receipt scanning to reimbursement and direct deposit, is simple and quick.

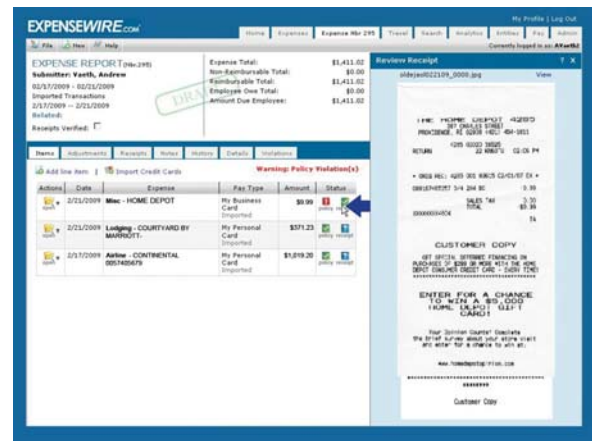

ExpenseWire is easy to use, fast to deploy, and flexible enough to accommodate the specific needs of any organization. Our on-demand solution eliminates costly software and allows for 24/7 expense management via the Web.*

Benefits for Management

- Simplify expense reports.
- Ensure expense policy compliance.
- Streamline approval cycles.
- Automate employee reimbursement.
- Analyze and reduce overall spending.

Benefits for Employees

- Eliminate time-consuming spreadsheets.
- Scan and upload receipts in minutes.
- Get reimbursed within a matter of days, rather than weeks.
- Get up and running quickly with no training required.
- Less work for submitters, approvers, accounts payable, and finance.

ExpenseWire Automates the Expense Lifecycle
